NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 29, 2021

NOTICE IS HEREBY GIVEN that the annual meeting (the “**Meeting**”) of the holders of common shares (“**Common Shares**”) in the capital of Fennec Pharmaceuticals Inc., 68 TW Alexander Drive, PO Box 13628, Research Triangle Park, NC, 27709 (“**Fennec**” or the “**Corporation**”) will be held on June 29, 2021 at 1:00 p.m. EDT (10:00 a.m. PDT) at the law offices of Rutan & Tucker, LLP at 18575 Jamboree Road, 9th Floor, Irvine, CA 92612-2559 and online by visiting www.virtualshareholdermeeting.com/FENC2021, where you will be able to listen to the meeting live, submit questions, and vote, for the following purposes:

1. to receive the consolidated financial statements of the Corporation for the year ended December 31, 2020, together with the report of the auditors thereon;
2. to elect the six directors named in the Management Proxy Circular;
3. to appoint auditors and to authorize the directors of the Corporation to fix the auditors’ remuneration;
4. to vote, on an advisory (non-binding) basis, on the compensation of our named executive officers; and
5. to transact such further or other business as may properly come before the Meeting or any adjournment thereof.

Shareholders attending the Meeting online may register and log into the live audio webcast platform beginning at 12:45 p.m. EDT. We would appreciate your early registration so that the Meeting may start promptly at 1:00 p.m. EDT.

The board of directors of Fennec has fixed 5:00 p.m. EDT on May 17, 2020 (the “**Record Date**”), as the record date for determining the holders of record of Common Shares who are entitled to receive notice of the Meeting and to attend and vote at the Meeting and any adjournment or postponement thereof.

Fennec acknowledges and continues to follow the restrictions regarding travel and gatherings that are currently in place due to the Coronavirus (COVID-19) pandemic and is holding a “hybrid” meeting that includes both an in-person and virtual online component. Only registered shareholders or proxyholders for registered shareholders will be permitted to attend the Meeting. In particular, Shareholders may attend the Meeting in person, online by visiting www.virtualshareholdermeeting.com/FENC2021, or may be represented at the Meeting by proxy. To reduce the spread of Coronavirus (COVID-19), many provincial and state governments, including British Columbia and California, have issued emergency orders restricting travel outside the home, organized public events and social gatherings. If laws or orders limiting travel to, or the number of attendees permitted at, the Meeting are in place on the date of the Meeting, Fennec intends to proceed with the Meeting to the extent it is lawfully permitted to do so and quorum is satisfied. Regardless of whether any such orders have been lifted at the time of the Meeting, there may be continuing public health recommendations in place to reduce the spread of Coronavirus (COVID-19). Further, in the interest of protecting the health and safety of Fennec’s shareholders and employees and the communities in which they live, Fennec intends to adopt screening or other measures for identifying Coronavirus (COVID-19) symptoms or risk factors as may be recommended or required by applicable health authorities at the Meeting and reserves the right to refuse admission to a shareholder or proxyholder seeking to attend the Meeting in person but who Fennec believes may pose a health risk to attendees at the Meeting. **Accordingly, we strongly encourage shareholders to vote by attending the meeting online www.virtualshareholdermeeting.com/FENC2021 or by completing and submitting the enclosed form of proxy, rather than attending in person. By doing so, a shareholder’s shares will be represented at the Meeting and its wishes on matters for decision at the Meeting will be made known to the board and management of Fennec.**

The Corporation reserves the right to change the format of the Meeting if it determines that doing so is necessary to protect the health and safety of its shareholders, employees, and community and comply with applicable requirements. Should the determination to hold a virtual-only Meeting be made, the Corporation will inform shareholders by way of a news release. The Corporation may notify shareholders of such change without sending additional proxy materials.

Proxies to be used at the Meeting must be received no later than 1:00 p.m. (EDT) on June 25, 2021 and, if the Meeting is postponed or adjourned, no later than 48 hours (excluding weekends and statutory holidays) preceding the reconvened Meeting.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on June 29, 2021:

This Notice, Management Proxy Circular and the Corporation's Annual Report on Form 10-K are available to you on the Internet at www.proxyvote.com. We encourage you to access and review all of the important information contained in these materials before voting.

DATED at Research Triangle Park, North Carolina this 14th day of May, 2021.

By Order of the Board of Directors of Fennec Pharmaceuticals Inc.

**FENNEC PHARMACEUTICALS INC.
MANAGEMENT PROXY CIRCULAR**

Unless otherwise stated, information contained in this management proxy circular (the “Circular”) is given as of May 10, 2021. Except as otherwise indicated, all amounts are expressed in United States dollars.

The Meeting

This Circular is furnished in connection with the solicitation of proxies by management of Fennec Pharmaceuticals Inc., 68 TW Alexander Drive, PO Box 13628, Research Triangle Park, NC, 27709 (“**Fennec**” or the “**Corporation**”) for use at the annual meeting (the “**Meeting**”) of the shareholders of Fennec to be held at 1:00 p.m. EDT (10:00 a.m. PDT) on June 29, 2021 at the law offices of Rutan & Tucker, LLP at 18575 Jamboree Road, 9th Floor, Irvine, CA 92612-2559 and online by visiting www.virtualshareholdermeeting.com/FENC2021, and at any adjournment thereof, for the purposes set forth in the accompanying notice of annual general meeting (the “**Notice of Meeting**”).

This year, as a precautionary measure to proactively address the public health impact of coronavirus disease (COVID-19), to mitigate health and safety risks to our shareholders, employees and other stakeholders, and to abide by applicable laws and emergency orders, the Meeting will be held in a “hybrid format” with both in-person and virtual online component, which will be conducted via live audio webcast. Shareholders will have an equal opportunity to participate in the Meeting online, regardless of geographic location. Registered shareholders and duly appointed proxyholders will be able to participate in the Meeting, ask questions and vote, all in real time, provided they are connected to the Internet and comply with all of the requirements set out in the Circular. Non-registered shareholders who have not duly appointed themselves as proxyholder will be able to participate in the Meeting and also ask questions, but will not be able to vote at the Meeting.

Solicitation of Proxies

The persons named in the form of proxy accompanying this Circular are officers and/or directors of Fennec. A holder (a “**Shareholder**”) of Fennec common shares (the “**Common Shares**”) has the right to appoint a person, other than the persons named in the form of proxy accompanying this Circular, as nominee to attend and act for and on behalf of such Shareholder at the Meeting, and may exercise such right by inserting the name of such person in the blank space provided on the form of proxy, or by executing a proxy in a form similar to the form of proxy accompanying this Circular. Your proxy may be revoked by written notice given to our Secretary at our headquarters at any time before being voted. You may also revoke your proxy by submitting a proxy with a later date or by voting during your virtual attendance at the Meeting.

The solicitation of proxies for the Meeting will be primarily by mail, but proxies may also be solicited personally or by telephone by employees or agents of Fennec. Employees of Fennec will not receive any extra compensation for such activities. Fennec will pay brokers or other persons holding Common Shares in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and proxy material to beneficial owners of Common Shares and requesting authority to execute proxies in respect of such Common Shares. The solicitation of proxies by this Circular is being made by or on behalf of the management of Fennec and its board of directors (the “**Board**”) and the total cost of this solicitation will be borne by Fennec.

If your name appears on a share certificate, you are considered a “registered shareholder”. See the “Registered Shareholder Voting” subsection below for details on how to vote. If your Common Shares are not registered in your name and are held in the name of a nominee, you are considered a “non-registered shareholder” (for example, your Common Shares are listed in an account statement provided to you by your securities broker). If this is the case, see the “Non-Registered Shareholder Voting” subsection below.

Registered Shareholder Voting

If your name appears on a share certificate, you are considered as a “registered shareholder”. You may appoint someone else to vote for you as your proxy holder at the Meeting by using the form of proxy sent to you by Broadridge. The persons named in the form of proxy are directors or officers of the Corporation. As a shareholder, you have the right to appoint as proxy holder a person other than those whose names are printed as proxy holders in the form of proxy, by inserting the name of your chosen proxy holder in the blank space provided for that purpose in the form of proxy. In either case, the completed form of proxy must be delivered to Broadridge by following one (1) of the methods below, prior to the Meeting at which it is to be used.

A person acting as proxy holder need not be a shareholder of the Corporation. Make sure that the person you appoint is aware that he or she is appointed and participates in the Meeting, otherwise your vote will not be taken into account. You can choose from among three different ways to vote your Common Shares by proxy:

By Telephone: Call the toll-free number indicated on the form of proxy and follow the instructions. If you choose to vote by telephone, you cannot appoint any person other than the directors or officers named on your form of proxy as your proxy holder.

On the Internet: Go to www.proxyvote.com and follow the instructions on the screen. If you choose to vote via the Internet, you can appoint a person other than the directors or officers named in the form of proxy as your proxy holder. This person does not have to be a shareholder. Make sure that the person you appoint is aware that he or she has been appointed and participates in the Meeting, otherwise your vote will not be taken into account.

By Mail: If you have elected to receive paper materials, complete your form of proxy and return it in the envelope provided. If you return your proxy by mail, you can appoint a person other than the directors or officers named in the form of proxy as your proxy holder. This person does not have to be a shareholder. If the Shareholder is a corporation, the proxy must be executed by an officer or properly appointed attorney. Fill in the name of the person you are appointing in the blank space provided on the form of proxy. Complete your voting instructions on the form of proxy, and date and sign the form. Make sure that the person you appoint is aware that he or she has been appointed and participates in the Meeting, otherwise your vote will not be taken into account.

The deadline for receiving duly completed forms of proxy or a vote by telephone or over the Internet is 1:00 p.m. (EDT) on June 25, 2021 or, if the Meeting is adjourned or postponed, not later than 48 hours (excluding weekends and statutory holidays) before the time of the reconvened Meeting. The proxy deadline may be waived or extended by the Chairman of the Meeting, in his sole discretion without notice.

How Proxies Will be Voted

The Common Shares represented by a proxy at the Meeting will be voted for or withheld from voting in each of the election of directors, appointment of auditors and authorizing the Board to fix the auditors remuneration, and for or against the advisory vote on the compensation of our named executive officers (together, the “**Ordinary Matters**”), in each case accordance with the instructions of the Shareholder. If no choice is specified in the proxy or the instructions are not certain, the persons named in the form of proxy accompanying this Circular will vote FOR all of the matters proposed by management at the Meeting and described in the Notice of Meeting and in the discretion of the person appointed on all other matters (if any) upon which the Shareholder appointing the proxy is entitled to cast a vote.

The form of proxy accompanying this Circular, when properly completed and executed, confers discretionary authority upon the persons named therein with respect to any amendment or variation to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. Management of Fennec and the Board knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting. However, if any other matters (other than the election of directors not currently named in this Circular) that are not now known to management of Fennec or the Board should properly come before the Meeting, the Common Shares represented by proxies given in favour of the persons named in the form of proxy accompanying this Circular will be voted on such matters in accordance with the discretion of such person.

Non-Registered Shareholder Voting

This section applies to beneficial holders of Common Shares who are not registered holders. The information set forth in this section is of significant importance to many holders of Common Shares, as a substantial number of Shareholders do not hold Common Shares in their own name.

Only registered holders of Common Shares, or the persons that they appoint as proxies, are permitted to attend and vote at the Meeting. In many cases, Common Shares are beneficially owned by a shareholder and are registered in the name of an intermediary such as a bank, broker or other nominee. If your Common Shares are not registered in your name and are held in the name of a nominee, you are considered a “non-registered shareholder”. For example, if your Common Shares are listed in an account statement provided to you by your securities broker, those Common Shares will, in all likelihood, not be registered in your name. Such Common Shares will more likely be registered in the name of a depository or of such broker or an agent of such broker. Without specific instructions, brokers and their agents or nominees are prohibited from voting shares for their clients.

Non-registered shareholders are either “objecting beneficial owners” or “OBOs”, who object that intermediaries disclose information about their identity and ownership in the Corporation or “non-objecting beneficial owners” or “NOBOs”, who do not object to such disclosure. The Corporation does not send proxy-related materials directly to OBOs or NOBOs and intends to pay for an intermediary to deliver to OBOs and NOBOs the proxy-related materials. If you are a non-registered shareholder, there are two ways that you can vote your Common Shares:

Provide Voting Instructions to your Broker. Applicable securities laws require your nominee to seek voting instructions from you in advance of the Meeting. Accordingly, you will receive or have already received from your nominee a request for voting instructions for the number of Common Shares you hold. Every nominee has its own mailing procedures and provides its own signature and return instructions, which should be carefully followed by non-registered shareholders to ensure that their Common Shares are voted at the Meeting.

Attending the Virtual Meeting

All Shareholders are encouraged to attend the Meeting online, which will be conducted via live audio webcast. The Meeting online enables registered shareholders to participate in the Meeting and ask questions, all in real time. Registered shareholders can vote at the appropriate times by completing a ballot online during the Meeting. **If you are a registered shareholder and wish to vote at the Meeting, you do not need to complete or return the form of proxy.** However, even if you plan to participate in the Meeting, you may vote your Common Shares in advance, so that your vote will be counted if you later decide not to participate in the Meeting. Shareholders and proxyholders can access the Meeting by visiting www.virtualshareholdermeeting.com/FENC2021.

To participate in the Meeting, you will need the 16-digit control number included on your proxy or voting instruction form or on the instructions that accompany your proxy materials. The control number located on the form of proxy or voting instruction form or in the email notification you received is your control number. If you participate in the Meeting online, it is important that you are connected to the Internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting online and complete the related procedure.

Record Date and Entitlement to Vote

The Record Date for the purpose of determining Shareholders entitled to receive the Circular and to vote at the Meeting has been fixed as 5:00 p.m. EDT on May 17, 2021 (the “**Record Date**”). Each Shareholder at the close of business (5:00 p.m. EDT) on the Record Date is entitled to attend the Meeting in person or by proxy and to cast one vote for each Common Share held by such Shareholder on the Record Date.

Quorum

According to the Corporation’s articles, the quorum for the transaction of business at any meeting of shareholders shall be two or more persons present in person or represented by proxy.

Voting Securities and Principal Holders of Voting Securities

As at May 10, 2021, there were 26,002,853 Common Shares issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

Beneficial ownership of the Common Shares in the following table is determined in accordance with the rules and regulations of the U.S. Securities and Exchange Commission (the “**SEC**”). Under these rules, a person is deemed to beneficially own a Common Share if that person has or shares voting power or investment power with respect to that share, or has the right to acquire beneficial ownership of that share within 60 days, including through the exercise of any option, warrant or other right or the conversion or any other security. Shares issuable under stock options and warrants are deemed outstanding for computing the percentage of the person holding options or warrants but are not outstanding for computing the percentage of any other person.

For these purposes, any spoiled votes, illegible votes, defective votes, abstentions, and broker non-votes will not be considered votes cast.

Other Business

Other than the Ordinary Matters discussed elsewhere in this Circular, management of Fennec does not intend to present and does not have any reason to believe that others will present, at the Meeting, any item of business other than those set forth in this Circular. If, however, any other business is properly presented at the Meeting and may properly be considered and acted upon, proxies will be voted by those named in the applicable form of proxy in their sole discretion, including with respect to any amendments or variations to the matters identified herein.

ORDINARY MATTERS

Presentation of Financial Statements

The audited financial statements of the Corporation for the fiscal year ended December 31, 2020, together with the report of the auditors thereon, will be placed before the Meeting. Shareholders who wish to be added to the mailing list for the annual financial statements and Management's Discussion and Analysis should complete the appropriate sections of the proxy or contact the undersigned at PO Box 13628, 68 TW Alexander Drive, Research Triangle Park, North Carolina 27709 Attention: Secretary.

Election of Directors

The number of directors of Fennec to be elected at the Meeting is six (6). The following are the names of the persons for whom it is intended that votes will be cast for their election as directors of the Corporation pursuant to the proxy which is hereby solicited, unless the Shareholder directs therein otherwise:

Dr. Khalid Islam
Mr. Adrian Haigh
Mr. Chris A. Rallis
Dr. Marco Brughera
Dr. Jodi Cook
Mr. Rostislav Raykov

The term of office for each such person will be until Fennec's next annual meeting of Shareholders or until such person's successor is elected or duly appointed. **In the event that prior to the Meeting any vacancies occur in the slate of nominees submitted above, it is intended that discretionary authority shall be exercised to vote the proxy hereby solicited (unless otherwise directed as aforesaid) for the election of any other person or persons as directors. Fennec management is not now aware that any of such nominees would be unwilling to serve as a director if elected.**

The Board unanimously recommends that Shareholders vote FOR the election of the above-named director nominees. The persons named in the enclosed form of proxy will vote FOR the election of each of the director nominees to hold office until the close of the next annual meeting of Shareholders, unless a Shareholder has specified in the proxy that his or her Common Shares are to be withheld from voting in respect thereof.

Fennec has adopted a majority voting policy in director elections that will apply at any meeting of Shareholders where an uncontested election of directors is held. Pursuant to this policy, if the number of proxy votes withheld for a particular director nominee is greater than the votes for such director, the director nominee will be required to submit his or her resignation as a director to the Chair of the Board promptly following the applicable Shareholders' meeting. Following receipt of resignation, the Governance and Nominating Committee will consider whether or not to accept the offer of resignation and make a recommendation to the Board. Within 90 days following the applicable Shareholders' meeting, the Board shall publicly disclose in a news release their decision whether to accept the applicable director's resignation or not, including the reasons for rejecting the resignation, if applicable. The Board shall accept the resignation absent exceptional circumstances. A director who tenders his or her resignation pursuant to this policy will not be permitted to participate in any meeting of the Board or the Governance and Nominating Committee at which the resignation is considered. A copy of the majority voting policy may be found on the Fennec website at www.fennecpharma.com.

The following table sets forth the name of each of our executive officers and directors, such person's principal occupation or employment, all other positions with Fennec and any significant affiliate thereof now held by such person, if any, the year in which such person became a director of Fennec and such person's age.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This discussion relates to the Named Executive Officers listed in the Summary Compensation Table below.

Mandate of the Compensation Committee

It is the task of the Compensation Committee to periodically review Fennec’s compensation structure with respect to its Named Executive Officers, including its Chief Executive Officer, to ensure that Fennec continues to attract and retain qualified and experienced individuals to its management team and to motivate these individuals to perform to the best of their ability and in Fennec’s best interests. The Compensation Committee determines the compensation of the Named Executive Officers, evaluates and approves the compensation plans, policies and programs of the Corporation and recommends to the Board from time to time other incentive compensation plans that it determines should be considered.

In reviewing executive compensation, the Compensation Committee relies on the advice of the Chief Executive Officer regarding other executive officers and allows him to participate in the Committee's deliberations on those executive officers. The Chief Executive Officer, however, is not allowed to participate in the Committee's deliberations on his compensation. The Compensation Committee may not delegate any of its responsibilities to another entity or to an individual without the approval of the Board.

General Compensation Philosophy

The key components of executive officer compensation are salaries, cash incentive awards and stock options. Fennec's policy with respect to the compensation of Named Executive Officers is to establish annual goals with respect to corporate development and the individual areas of responsibility of each Named Executive Officers and then to review total compensation with respect to the achievement of these goals.

Salary and Non-Equity Incentive Awards

It is Fennec's policy that the base salaries paid to its Named Executive Officers reflect, in addition to the criteria set out above, the individual's responsibility, experience and achievements. Each year the Compensation Committee sets a series of objectives for each executive and for the executive team as a whole to determine the opportunity for cash incentive awards. These objectives are prioritized and assigned potential values in light of overall company objectives, including with respect to scientific, clinical, regulatory, intellectual property, business and corporate development, and financial objectives. The Compensation Committee reviews both base salaries and cash incentive awards on at least an annual basis to ensure that the relevant criteria are satisfied.

Stock Options

The annual compensation considerations also include the awarding of stock options and other equity awards. The granting of options to the Named Executive Officers under the Stock Option Plan serves three primary purposes: (1) to recognize significant performance during the past year; (2) to provide long-term incentives for future efforts, since the value of the options is directly dependent on the market valuation of the Corporation; and (3) to retain individuals, as the options typically vest over time. When determining whether and how many new option grants will be made, the Compensation Committee takes into account the amount and terms of any outstanding options. The Compensation Committee generally considers the granting of options twice annually to all eligible employees, including executive officers. The Committee, in its discretion, may grant options at other times during a fiscal year to a Named Executive Officer for performance or other reasons. Fennec does not require its Named Executive Officers to own a specific number of Common Shares.

Analysis of Named Executive Officer Compensation

The Compensation Committee is charged with annually reviewing and approving corporate goals and objectives relevant to each of the Named Executive Officer's compensation, evaluating each officer's performance in light of those goals and objectives, and fixing and determining each Named Executive Officer's level of salary and award of cash incentive payments and options based on this evaluation. In determining the long-term incentive component of each Named Executive Officer's compensation, the Compensation Committee considers the Corporation's performance and relative shareholder return, the value of similar incentive awards to other similarly situated executive officers at companies in the peer group, the awards given to the Named Executive Officer in past years, and such other factors as the Compensation Committee considers relevant. Specifically, the Compensation Committee's review and evaluation includes measurement of the following areas:

- the achievement of corporate objectives, such as financings, partnerships and other business development, and consideration of those achievements in light of budgetary constraints and other challenges facing the Corporation;
- the Corporation's financial condition;
- the Corporation's share price and market capitalization; and
- the advancement of our product candidates, both preclinical and clinical.

Compensation Consultant

In December 2020, the Compensation Committee retained Radford, an Aon company ("**Radford**"), to provide assistance in reviewing the compensation of the Named Executive Officers and the directors. In part on the basis of Radford's recommendations, Mr. Raykov's base salary in 2021 has been increased to \$442,900 or a 3% annual increase from 2020, Mr. Andrade's base salary in 2021 has been increased to \$320,845 or a 3% annual increase from 2020 and Ms. Goel's base salary in 2021 has been increased to \$370,800 or a 3% annual increase from 2020. Radford further recommended that upon FDA approval, Mr. Raykov and Mr. Andrade shall be subject to a 12% increase. Radford's provided similar services in the prior year.

Benchmarking

Radford's engagement included conducting a review of Fennec's peer group of companies to ensure the ongoing suitability and applicability of such group, as certain of Fennec's compensation matters are compared against the peer group. Based on the review by Radford and in consultation with the Compensation Committee and the Board, a peer group consisting of the following 20 companies was chosen on the basis of the following characteristics in relation to Fennec: (i) operating in the biotechnology and pharmaceutical industries; and (ii) market capitalization, employee size and stage of development: AcetRx Pharmaceuticals, Aldeyra Therapeutics, Anavex Life Sciences, AVEO Pharmaceuticals, Catalyst Biosciences, Chimerix, Cidara Therapeutics, Geron, Kadmon, Kala Pharmaceuticals, MediciNova, MEI Pharma, Palatin Technologies, Paratek Pharmaceuticals, SCYNEXIS, Sesen Bio, SIGA Technologies, Strongbridge Biopharma, Trevena and Verastem. This peer group was used to help evaluate compensation design precedents and trends, and for guiding the calibration of competitive pay levels.

Compensation Risk

The Board considers and assesses, as necessary, the implications of risks associated with Fennec's compensation policies and practices and devotes such time and resources as it believes are appropriate given Fennec's size and stage of development. The Corporation's practice during the fiscal year ended December 31, 2020 of compensating its officers through a mix of base salary, short term and long term incentives was designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders; (iii) providing an appropriate balance of risk and reward consistent with the risk profile of our Company; and (iv) providing compensation that does not encourage excessive risk-taking behavior by the executive team. During the fiscal year ended December 31, the Board did not identify any risks arising from the Corporation's compensation policies and practices that the board believed were reasonably likely to have a material adverse effect on the Corporation.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Circular with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Circular.

The annual compensation considerations for non-executive directors also include the awarding of stock options. We believe that granting of options to the non-executive directors serves three primary purposes: (1) to recognize the significant time and effort commitments during the past year; (2) to provide long-term incentives for future efforts since the value of the options is directly dependent on the market valuation of the Corporation; and (3) to retain quality individuals. When determining whether and how many new option grants will be made, the Compensation Committee takes into account the amount and terms of any outstanding options. We do not require our non-executive directors to own a specific amount of our Common Shares.

Each of Adrian J. Haigh, Dr. Khalid Islam, Dr. Marco Brughera, Dr. Jodi Cook, and Chris A. Rallis has entered into an Independent Director Agreement with the Corporation, which provides for cash compensation as set forth by the Compensation Committee commensurate with that member's responsibilities. The Compensation Committee may also remunerate members in the form of a grant of options to purchase shares of our Common Shares. The options immediately vest when granted and are otherwise subject to the terms and conditions of our stock option plan, as amended, or our Equity Incentive Plan. The Independent Director Agreements also provide for the reimbursement of such director's reasonable travel and related expenses incurred in the course of attending board meetings.

OTHER INFORMATION

2020 Equity Incentive Plan

On June 22, 2020, Fennec's shareholders approved our 2020 Equity Incentive Plan (the "**2020 Plan**"), which replaced our prior Stock Option Plan which was last approved by our shareholders on June 19, 2019 (the "**Prior Plan**"). Options granted under the Prior Plan continue to be governed by the terms of the Prior Plan.

The total number of Common Shares that may be the subject of awards and issued under the 2020 Plan, together with the Prior Plan (collectively, the "**Plans**"), is twenty-five percent (25%) of the total number of all issued and outstanding Common Shares from time to time.

The Board believes that equity based incentive awards can play an important role in the success of the Corporation by encouraging and enabling the employees, officers, non-employee directors and consultants of the Corporation and its subsidiaries upon whose judgment, initiative and efforts the Corporation largely depends for the successful conduct of its business to acquire a proprietary interest in the Corporation. The Board believes that providing such persons with a direct stake in the Corporation assures a closer identification of the interests of such individuals with those of the Corporation and its shareholders, thereby stimulating their efforts on the Corporation's behalf and strengthening their desire to remain with the Corporation. The 2020 Plan is designed to enhance the flexibility to grant different types of equity awards (i.e. not just stock options) to our officers, employees, non-employee directors and consultants and to ensure that we can continue to grant equity awards to eligible recipients at levels determined to be appropriate by the Board or the Compensation Committee.

As of May 17, 2021, options for an aggregate of 2,902,144 Common Shares have been granted and remain issued and outstanding under 2020 Plan or the Prior Plan, as applicable (representing approximately 11.2% of the currently issued and outstanding Common Shares). The 2020 Plan has 3,598,569 unallocated equity awards (representing approximately 13.8% of the currently issued and outstanding Common Shares).

26,002,853	Shares outstanding
6,500,173	25.0%
2,902,144	11.2% Options issued
3,598,569	13.8% Equity Awards Available

Option grants outstanding under the Prior Plan continue to be subject to the terms of those plans and if those awards subsequently are exercised, expire, are forfeited or canceled, or are settled in cash, the Common Shares subject to those awards will be available for new awards under 2020 Plan, as the case may be.

The major features of the 2020 Plan are summarized as follows:

Plan Shares. The maximum number of Common Shares that may be issued in connection with any awards granted under the under the 2020 Plan, together with the Prior Plan, is twenty-five percent (25%) of the total number of all issued and outstanding common shares from time to time. Shares of common stock that are forfeited, cancelled, held back upon the exercise or settlement of an award to cover the exercise price or tax withholding, reacquired by us prior to vesting, satisfied without the issuance of common stock or otherwise terminated (other than by exercise) under the Prior Plan or the 2020 Plan are added back to the shares of common stock available for issuance under the 2020 Plan.

Administration. The 2020 Plan will be administered by the Compensation Committee. The Compensation Committee has full power to select, from among the individuals eligible for awards, the individuals to whom awards will be granted, to make any combination of awards to participants, and to determine the specific terms and conditions of each award, subject to the provisions of the 2020 Plan.

Eligibility. All full-time and part-time officers, employees, non-employee directors and consultants are eligible to participate in the 2020 Plan, subject to the discretion of the Compensation Committee.

Stock Options. The 2020 Plan permits the granting of (i) options to purchase common stock intended to qualify as incentive stock options under Section 422 of the Code and (ii) options that do not so qualify. Options granted under the 2020 Plan will be non-qualified options if they fail to qualify as incentive options or exceed the annual limit on incentive stock options. Incentive stock options may only be granted to employees of the Corporation and its subsidiaries. Non-qualified options may be granted to any persons eligible to receive incentive options and to non-employee directors and consultants. The option exercise price of each option will be determined by the Compensation Committee but may not be less than 100% of the fair market value of the common stock on the date of grant. Fair market value for this purpose will be the last reported sale price of the shares of common stock on the Nasdaq Capital Market on the date immediately preceding the grant date. The exercise price of an option may not be reduced after the date of the option grant, other than to appropriately reflect changes in our capital structure.

The term of each option will be fixed by the Compensation Committee and may not exceed ten years from the date of grant. The Compensation Committee will determine at what time or times each option may be exercised. Options may be made exercisable in installments and the exercisability of options may be accelerated by the Compensation Committee. In general, unless otherwise permitted by the Compensation Committee, no option granted under the 2020 Plan is transferable by the optionee other than by will or by the laws of descent and distribution or pursuant to a domestic relations order, and options may be exercised during the optionee's lifetime only by the optionee, or by the optionee's legal representative or guardian in the case of the optionee's incapacity.

Upon exercise of options, the option exercise price must be paid in full either in cash, by certified or bank check or other instrument acceptable to the Compensation Committee or by delivery (or attestation to the ownership) of shares of common stock that are beneficially owned by the optionee and that are not subject to risk of forfeiture. Subject to applicable law, the exercise price may also be delivered to the Corporation by a broker pursuant to irrevocable instructions to the broker from the optionee. In addition, the Compensation Committee may permit non-qualified options to be exercised using a net exercise feature that reduces the number of shares issued to the optionee by the number of shares with a fair market value equal to the exercise price.

To qualify as incentive options, options must meet additional federal tax requirements, including a \$100,000 limit on the value of shares subject to incentive options that first become exercisable by a participant in any one calendar year.

Stock Appreciation Rights. The Compensation Committee may award stock appreciation rights subject to such conditions and restrictions as the Compensation Committee may determine. Stock appreciation rights entitle the recipient to shares of common stock equal to the value of the appreciation in the stock price over the exercise price. The exercise price is the fair market value of the common stock on the date of grant. The term of a stock appreciation right may not exceed ten years.

Restricted Stock. The Compensation Committee may award shares of common stock to participants subject to such conditions and restrictions as the Compensation Committee may determine. These conditions and restrictions may include the achievement of certain performance goals or continued employment with us through a specified restricted period. During the vesting period, restricted stock awards may be credited with dividend equivalent rights, but dividend equivalents payable with respect to restricted stock awards with vesting tied to the attainment of performance criteria or service shall not be paid unless and until such conditions are satisfied.

Restricted Stock Units. The Compensation Committee may award restricted stock units to participants. Restricted stock units are ultimately payable in the form of shares of common stock (or cash, if so provided in the specific award) subject to such conditions and restrictions as the Compensation Committee may determine. These conditions and restrictions may include the achievement of certain performance goals or continued employment with the Corporation through a specified vesting period. In the Compensation Committee's sole discretion, it may permit a participant to make an advance election to receive a portion of his or her future cash compensation otherwise due in the form of a restricted stock unit award, subject to the participant's compliance with the procedures established by the Compensation Committee and requirements of Section 409A of the Code. During the deferral period, the deferred stock awards may be credited with dividend equivalent rights.

Unrestricted Stock Awards. The Compensation Committee may also grant shares of common stock that are free from any restrictions under the 2020 Plan. Unrestricted stock may be granted to any participant in recognition of past services or other valid consideration and may be issued in lieu of cash compensation due to such participant.

Dividend Equivalent Rights. The Compensation Committee may grant dividend equivalent rights to participants, which entitle the recipient to receive credits for dividends that would be paid if the recipient had held specified shares of common stock. Dividend equivalent rights granted as a component of another award (other than a stock option or stock appreciation right) may be paid only if the related award becomes vested. Dividend equivalent rights may be settled in cash, shares of common stock or a combination thereof, in a single installment or installments, as specified in the award.

Cash-Based Awards. The Compensation Committee may grant cash bonuses under the 2020 Plan to participants. The cash bonuses may be subject to the achievement of certain performance goals.

Change of Control Provisions. The 2020 Plan provides that upon the effectiveness of a “sale event,” as defined in the 2020 Plan, all outstanding awards may be assumed, substituted or otherwise continued by the successor entity. To the extent that the successor entity does not assume, substitute or otherwise continue such awards, upon the effective time of the sales event the 2020 Plan and all outstanding awards that remain unexercised or settled will terminate. When a sales event occurs and outstanding awards are not assumed, substituted or continued, except as may be otherwise specifically provided in an award certificate, all options and stock appreciation rights with time-based vesting conditions or restrictions that are not vested or exercisable immediately prior to the effective time of the sale event may become fully vested and exercisable as of the effective time of the sale event at the discretion of the Compensation Committee, all other awards with time-based vesting, conditions or restrictions may become fully vested and non-forfeitable as of the effective time of the sale event at the discretion of the Compensation Committee, and all awards with conditions and restrictions relating to the attainment of performance goals may become vested and non-forfeitable in connection with a sale event in the Compensation Committee’s discretion or to the extent specified in an award certificate. In addition, the Corporation may make or provide for payment, in cash or in kind, to participants holding options and stock appreciation rights equal to the difference between the per share cash consideration paid in the sales event and the exercise price of the options or stock appreciation rights. The Compensation Committee shall also have the option to make or provide for a payment, in cash or in kind, to grantees holding other awards in an amount equal to the per share cash consideration paid in the sales event multiplied by the number of vested shares under such awards.

Adjustments for Stock Dividends, Stock Splits, Etc. The 2020 Plan requires the Compensation Committee to make appropriate adjustments to certain limits in the 2020 Plan and to any outstanding awards to reflect stock dividends, stock splits, extraordinary cash dividends and similar events.

Tax Withholding. Participants in the 2020 Plan are responsible for the payment of any federal, state or local taxes that the Corporation is required by law to withhold upon the exercise of options or stock appreciation rights or vesting of other awards. Subject to approval by the Compensation Committee, participants may elect to have their tax withholding obligations satisfied by authorizing the Corporation to withhold shares of common stock to be issued pursuant to exercise or vesting. The Compensation Committee may also require awards to be subject to mandatory share withholding up to the required withholding amount.

Amendments and Termination. The Board of Directors may at any time amend or discontinue the 2020 Plan and the Compensation Committee may at any time amend or cancel any outstanding award for the purpose of satisfying changes in the law or for any other lawful purpose. However, no such action may adversely affect any rights under any outstanding award without the holder’s consent. To the extent required under Nasdaq or TSX rules any amendments that materially change the terms of the 2020 Plan will be subject to approval by our Shareholders. Amendments shall also be subject to approval by our Shareholders if and to the extent determined by the Compensation Committee to be required by the Code to preserve the qualified status of incentive options. Subject to any additional requirements of the rules of Nasdaq or the TSX, the following amendments to the 2020 or awards issued thereunder shall not be made without the prior approval of Nasdaq or the TSX, and approval of the Shareholders: (i) other than customary adjustments resulting from certain corporate changes, amendments to the 2020 Plan that would increase the percentage of Common Shares issuable under the 2020 Plan, (ii) any amendment that would increase the number of Common Shares issuable to insiders under the 2020 Plan, (iii) any amendment that would change the eligible participants in the plan to permit the introduction of non-employee directors on a discretionary basis; and (iv) amendments to amending provision of the 2020 Plan. Examples of the amendments that may be made by the Board without shareholder approval include, without limitation, amendments related to (a) the vesting provisions of the 2020 Plan or any award granted under the 2020 Plan, (b) the early termination provisions of the 2020 Plan or any option granted under the 2020 Plan, (c) the addition of any form of financial assistance by the Corporation for the acquisition by all or certain categories of participants, and the subsequent amendment of any such provision which is more favorable to such participants, (d) the addition or modification of a cashless exercise feature, payable in cash or Common shares, which provides for a full deduction of the number of underlying Common Shares from the Stock Option Plan reserve, (e) changing the maximum percentage of Common Shares which are reserved for issuance under the Stock Option Plan to a maximum number of Common Shares not exceeding the number of Common Shares which then represents the maximum percentage previously approved by the Corporation’s security holders; (f) the suspension or termination under applicable laws (including, without limitation, the rules, regulations and policies of the TSX); and/or (g) general housekeeping matters.

For U.S. federal income tax purposes, an optionee who is granted an incentive stock option under the 2020 Plan will generally not recognize taxable income either at the time the option is granted or upon its exercise, although the exercise will increase the optionee's alternative minimum taxable income by an amount equal to the difference, if any, between the fair market value of the shares at the time of exercise and the option's exercise price, and therefore may subject the optionee to the alternative minimum tax. Upon the sale or exchange of the shares more than two years after grant of the option and more than one year after exercising the option, any gain or loss will be treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee will recognize ordinary income at the time of sale or exchange equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option's exercise or (ii) the sale price of the shares. Fennec will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the optionee's holding period with respect to such shares. Options that do not qualify as incentive stock options under the 2020 Plan are referred to as nonstatutory options. Generally, an optionee will not recognize any taxable income at the time he or she is granted a nonstatutory option. Upon its exercise, however, the optionee will generally recognize taxable ordinary income measured as the excess of the then fair market value of the shares acquired over the exercise price of the option. Any taxable income recognized in connection with an option exercise by an optionee who is also one of our employees will be subject to tax withholding by us. Fennec will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon exercise of a nonstatutory option. Upon resale of such shares by the optionee, any difference between the sales price received and the fair market value for the shares on the date of exercise of the option will be treated as long-term or short-term capital gain or loss, depending on the optionee's holding period with respect to such shares.

The Board does not grant options or other equity awards according to a prescribed formula or target. Rather awards to eligible participants and the proposed grant size, take into consideration such factors as their position, scope of responsibility and historic and recent performance, previous grants, the value of the awards in relation to other elements of the individual's total compensation and shareholdings, and market information. Therefore, future options that may be granted to employees, officers, directors and consultants under the 2020 Plan are not determinable at this time.

Prior Plan

The Stock Option Plan as last ratified by Shareholders on June 18, 2019 was adopted to develop the interest and incentive of eligible employees, directors and other service providers of the Corporation in the Corporation's growth and development by giving eligible Participants (as defined below) an opportunity to purchase Common Shares on a favorable basis, thereby advancing the interests of the Corporation, enhancing the value of the Common Shares for the benefit of all Shareholders and increasing the ability of the Corporation to attract and retain skilled and motivated individuals in the service of the Corporation.

Although no further awards will be granted under the Prior Plan, the maximum number of Common Shares that were issuable under the Prior Plan was a rolling maximum equal to 25% of the issued and outstanding Common Shares from time to time. Within the above aggregate limit of 25% of the issued and outstanding Common Shares from time to time, the Prior Plan contains no limits on the number or percentage of such options that may be granted to insiders of the Corporation or to any one person. The Board currently has the right, in its sole discretion, to alter, amend or discontinue the Prior Plan from time to time and at any time. However, no such amendment or discontinuation may alter or impair the rights or increase the obligations under the Prior Plan of Participants without the consent of the Participants. Further, any amendment to the Prior Plan is subject to prior regulatory approval. The Prior Plan's amending procedures explicitly provide that shareholder approval is not required to implement any amendments, save and except for amendments related to (i) the maximum number of Common Shares or any other shares of the Corporation which are reserved for issuance under the Prior Plan (and under any other share compensation arrangement of the Corporation); (ii) a reduction in the exercise price for options held by insiders; and (iii) an extension to the term of options held by insiders. Examples of the amendments that may be made by the Board without shareholder approval include, without limitation, amendments related to (a) the vesting provisions of the Prior Plan or any option granted under the Prior Plan, (b) the early termination provisions of the Prior Plan or any option granted under the Prior Plan, (c) the addition of any form of financial assistance by the Corporation for the acquisition by all or certain categories of Participants, and the subsequent amendment of any such provision which is more favorable to such Participants, (d) the addition or modification of a cashless exercise feature, payable in cash or Common shares, which provides for a full deduction of the number of underlying Common Shares from the Prior Plan reserve, (e) changing the maximum percentage of Common Shares which are reserved for issuance under the Prior Plan to a maximum number of Common Shares not exceeding the number of Common Shares which then represents the maximum percentage previously approved by the Corporation's security holders; (f) the suspension or termination under applicable laws (including, without limitation, the rules, regulations and policies of the TSX); and/or (g) general housekeeping matters.

Participation in the Prior Plan was limited to directors, employees and service providers who were designated by the Compensation Committee (each, a "**Participant**"). Board nominees or other associates or affiliates of the Corporation's largest shareholder, Southpoint Capital Advisors, were not eligible to participate in the Prior Plan. Subject to the terms of the Prior Plan, the Compensation Committee determined the Participants designated to participate in the Prior Plan, the number of Common Shares such Participant was entitled to purchase and the price at which the Common Shares may be purchased and the applicable vesting period. The option price at which the Common Shares may be purchased under the Prior Plan was the fair market value of the Common Shares of the Corporation at the time of grant, which under the Prior Plan is the closing price of the Common Shares on the TSX or Nasdaq on the trading day immediately preceding the date of grant (if the Common Shares are then listed on the TSX or Nasdaq).

The maximum term of any option granted under the Prior Plan was ten (10) years. Options that have been granted under the Prior Plan must be exercised within a period of ten (10) years from the date of grant, failing which the Participant's right to purchase such Common Shares lapses. The Prior Plan provides that should the expiry date of any vested stock option of a Prior Plan participant fall on, or within nine (9) trading days immediately following, a Black-Out Period, the expiry date of such a vested stock option will automatically be the date that is ten (10) trading days from the date the relevant Black-Out Period ends. Unless otherwise determined by the Compensation Committee and specifically set forth in the stock option agreement executed by the Participant, options vest and may be exercised by the Participant as to one-third on each of the first, second and third anniversaries of the date of grant. The Compensation Committee may, however, in its sole discretion by written notice to any Participant, accelerate the vesting of all or any of the options of a Participant. The Participant's rights under the options granted under the Prior Plan are not assignable or transferable by the Participant. The Corporation does not currently have any arrangements in place for financial assistance to facilitate the purchase of securities by Participants under the Prior Plan.

A Participant's right to exercise options ceases following any of the following events (each of which, a "**Participant Termination Date**"): (i) if an employee, such Participant's employment with the Corporation or any of its subsidiaries is terminated for any reason; (ii) if a director, such Participant ceases to be a director on the Board for any reason; or (iii) if a service provider, such Participant ceases to provide services to the Corporation. In such case, the Participant, or the Participant's legal representative, as the case may be, may only exercise such options that are then vested any time prior to the earlier of: the original expiry date of such option, or within 30 days of the Participant Termination Date, or if specifically approved by the Board, such later date which may not be more than three (3) years following the Participant Termination Date.

For U.S. federal income tax purposes, an optionee who has been granted an incentive stock option under the Prior Plan will generally not recognize taxable income either at the time the option is granted or upon its exercise, although the exercise will increase the optionee's alternative minimum taxable income by an amount equal to the difference, if any, between the fair market value of the shares at the time of exercise and the option's exercise price, and therefore may subject the optionee to the alternative minimum tax. Upon the sale or exchange of the shares more than two years after grant of the option and more than one year after exercising the option, any gain or loss will be treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee will recognize ordinary income at the time of sale or exchange equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option's exercise or (ii) the sale price of the shares. Fennec will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the optionee's holding period with respect to such shares. Options that do not qualify as incentive stock options under the Prior Plan are referred to as nonstatutory options. Generally, an optionee will not recognize any taxable income at the time he or she is granted a nonstatutory option. Upon its exercise, however, the optionee will generally recognize taxable ordinary income measured as the excess of the then fair market value of the shares acquired over the exercise price of the option. Any taxable income recognized in connection with an option exercise by an optionee who is also one of our employees will be subject to tax withholding by us. Fennec will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon exercise of a nonstatutory option. Upon resale of such shares by the optionee, any difference between the sales price received and the fair market value for the shares on the date of exercise of the option will be treated as long-term or short-term capital gain or loss, depending on the optionee's holding period with respect to such shares.

Fennec has liability insurance for its directors and officers. We indemnify our directors and officers to the fullest extent permitted by law for their acts and omissions in their capacity as a director or officer of Fennec, so that they will serve free from undue concerns for liability for actions taken on behalf of Fennec. This indemnification is required under our corporate charter. We also maintain an insurance policy intended to help us meet our obligations under our indemnification covenants.

Indebtedness of Directors and Executive Officers

Section 13(k) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), prohibits Fennec from making or arranging an extension of credit to its directors or executive officers in the form of a personal loan.

No individual, who is or was a director, executive officer or employee of Fennec, nor any proposed nominee for election as a director of Fennec, nor any associate of any one of them: (i) is or, at any time since the beginning of Fennec’s most recent completed financial period, has been indebted to Fennec or any of its subsidiaries; or (ii) was indebted to another entity, which indebtedness is, or was at any time during Fennec’s most recent completed financial period, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by Fennec or any of its subsidiaries.

Interest of Informed Persons in Material Transactions

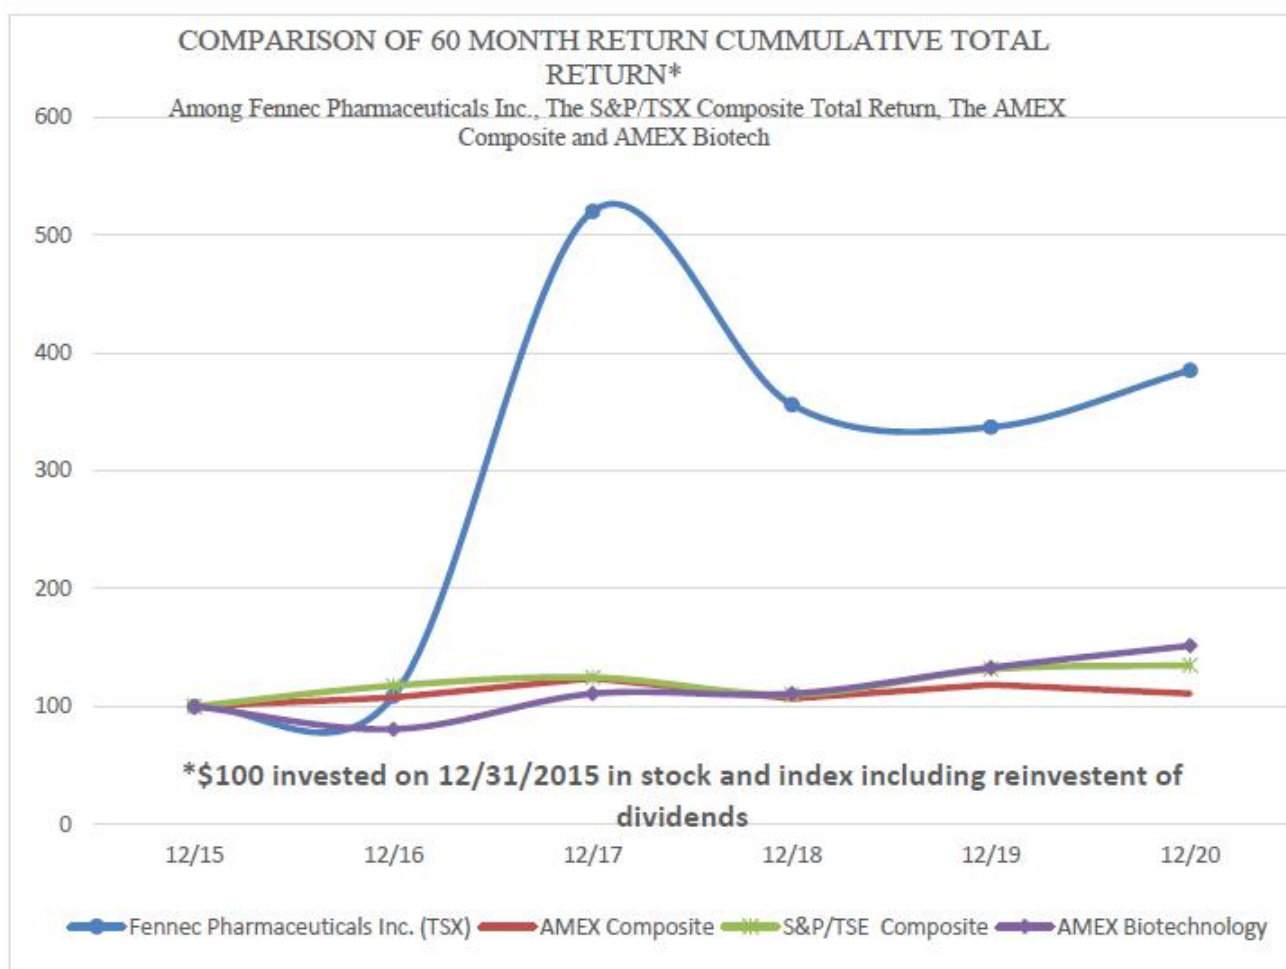

In accordance with the BCBCA and our articles, directors who have a material interest in any person who is a party to a material contract or a proposed material contract with Fennec are required to disclose that interest and abstain from voting on any resolution to approve that contract.

To the knowledge of Fennec, no informed person or proposed nominee for election as a director of Fennec and no associate or affiliate of the foregoing persons has or has had any material interest, direct or indirect, in any transaction since the commencement of Fennec’s last completed financial period or in any proposed transaction which has materially affected or would materially affect Fennec or any of its subsidiaries.

In accordance with regulations of the SEC, Fennec must disclose in this Circular any transaction or series of transactions in Fennec’s last two completed fiscal years to which Fennec was a party and in which any director or executive officer of Fennec, or any of their immediate family members, had a direct or indirect material interest if the amount involved exceeds the lesser of \$120,000 or one (1) percent of the average of the Corporation’s total assets at year-end for the last two completed fiscal years (a “**Related Party Transaction**”).

REPORT ON CORPORATE GOVERNANCE

Fennec believes that good corporate governance is important to ensure that Fennec is managed for the long-term benefit of its shareholders. In connection with Fennec's commitment to comply with the standards of applicable securities legislation, Fennec has continued to review Fennec's corporate governance practices and policies and has compared them to developing practices and regulation in Canada and the United States. In particular, Fennec has considered developing rules and guidelines for corporate governance practices and policies, and related disclosures, promulgated by the Canadian Securities Administrators, the SEC as well as the Sarbanes-Oxley Act of 2002.

Fennec's Board has adopted a Mandate of the Board of Directors, Corporate Governance Guidelines and a Code of Business Conduct and Ethics applicable to all officers, directors and employees of Fennec. The Board also has established charters for each of the Audit Committee, Governance and Nominating Committee and Compensation Committees and has appointed an Independent Chairman of the Board. Each of the various committee charters and other corporate governance documents are regularly reviewed with a view to determining if any updates are necessary or advisable.

Set out below is a description of certain corporate governance practices of the Corporation.

Shareholder Communications

Shareholders who wish to communicate with members of the Board of Directors, including the independent directors individually or as a group, may send correspondence to them care of the Chief Executive Officer at our principal executive offices. Such communication will be forwarded to the intended recipient(s). Fennec currently does not intend to have the Chief Executive Officer screen this correspondence, but it may change this policy if directed by the Board due to the nature or volume of the correspondence.

Board of Directors

The Board of Directors is composed of a majority of independent directors. The Board applies the definition of independence found in Canadian National Instrument 58-101 and National Policy 58-201 and the applicable rules of Nasdaq. The Board has determined that five of the current six directors are "independent", being Dr. Cook and Messrs. Rallis, Brughera, Haigh and Islam. Only one director has a material relationship with the Corporation and therefore is not independent. Mr. Raykov, Chief Executive Officer of the Corporation is considered to have a material relationship with the Corporation by virtue of his executive officer position. Fennec is of the view that the composition of its Board reflects a diversity of background and experience that are important for effective corporate governance. Other directorships held by Board members are described in this Circular under the heading "Ordinary Matters – Election of Directors."

During the financial year ended December 31, 2020, the Board devoted a portion of five meetings to discuss in the absence of directors who are not "independent," and certain of the Committees also conducted executive sessions where all participants were independent directors. In order to facilitate open and candid discussion among its independent directors, the Corporate Governance Guidelines provide that independent directors should meet at least annually without the presence of management or non-independent directors, that the Chairman or Lead Independent Director is authorized to call additional meetings of the independent directors and that the Chairman or Lead Independent Director is authorized to act as the presiding director at such meetings and to develop the agenda for such meetings. In addition, each Board member is free to suggest the inclusion of items on any Board or Committee meeting agenda and suggest pre-meeting materials to either the Chair of the Board or the Lead Independent Director. At any meeting of the Board, each Board member is also free to raise subjects that are not on the agenda for that meeting. Furthermore, each Board committee, the Chairman and the Lead Independent Director, on behalf of the independent directors as a group, have the authority to hire legal, accounting, financial or other advisors as they may deem necessary in their best judgment, without the need to obtain the prior approval of any officer of the Corporation. The Chief Financial Officer of the Corporation will arrange for payment of the invoices of any such third party.

Directors' Attendance

For the fiscal year ended December 31, 2020, the Board met on fifteen occasions, the Audit Committee met on five occasions, the Compensation Committee met on seven occasions, and the Governance and Nominating Committee met on four occasions. The following table sets forth the attendance of directors at meetings of the Board and Committee meetings.

The Board expects management to be responsible for the day-to-day operations of and to implement the approved strategic business plan within the context of authorized budgets and corporate policies and procedures. Management is expected to report regularly to the Board in a comprehensive, accurate, and timely fashion on Fenec's business and affairs.

Fenec does not have a formal written policy regarding attendance of Board members at annual meetings of the shareholders. Fenec, however, strongly encourages all directors to attend such meetings.

Mandate of the Board of Directors

The Board has the overall responsibility for the strategic planning and general management of Fenec's business and affairs. In fulfilling its responsibilities, the Board is responsible for, among other things:

- adoption of a strategic plan;
- approval of the annual operating and capital expenditure budgets;
- identification of the principal risks of the business and ensuring the implementation of the appropriate systems to manage these risks;
- succession planning, including appointing and monitoring senior management;
- adoption of a communications policy;
- approval of acquisitions, dispositions, investments and financings that exceed certain prescribed limits;
- integrity of the internal control and management information systems; and
- development of clear position descriptions for directors, including the Chair of the Board, the Chair of each Board committee and, together with the CEO, a clear position description for the CEO.

The Board discharges its responsibilities directly and through committees that have specific areas of responsibility. The frequency of Board meetings and the nature of items discussed during the meetings depend on the opportunities or risks that Fenec faces. The Board, directly and through its committees, has adopted a process whereby it assesses the risk factors that must be identified and managed to ensure Fenec's long-term viability.

The Board mandate generally describes the Board's expectation of management and provides a list of specific matters for which management must obtain Board approval prior to implementation. The Board mandate also provides that the Board annually establish performance objectives for the CEO, which responsibility has been delegated to the Compensation Committee. In addition, the Board receives regular updates from management concerning the Corporation's progress toward achieving corporate goals. The Board has also delegated to the Compensation Committee responsibility for evaluating the CEO's compensation, which evaluation includes review of the CEO's performance against annual performance objectives for the year and input from the Chairman, Lead Independent Director as well as other directors.

The Board Mandate is attached as Schedule "A-1" to this Circular.

Position Descriptions

The Board Mandate and the Governance and Nominating Committee Charter provide that the Board is responsible for the development of clear position descriptions for directors, including the Chair of the Board and the chair of each board committee; and, together with the Chief Executive Officer, a clear position description for the Chief Executive Officer, which includes delineating management's responsibilities.

Board Leadership Structure

On December 9, 2015, Dr. Khalid Islam was elected Chairman of the Board. The Board determined that in the best interest of the Corporation the most effective leadership structure at this time is to separate the roles of Chairman and Chief Executive Officer. As an independent director, Dr. Islam is responsible for overseeing and ensuring the independence of and separation between management and the Board.

Risk Oversight

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing the identification and management of our principal risks. The Board of Directors regularly receives reports from senior management on areas of material risk to our Corporation, including our credit, liquidity, operational, legal and regulatory risks. In carrying out its responsibilities under its charter, the Audit Committee reviews our major financial risk exposures and the steps management has taken to monitor and control such exposures, and it also meets periodically with management to discuss policies with respect to risk assessment and risk management. In addition, the Compensation Committee oversees the management of risks relating to our executive and non-executive compensation plans and arrangements, and the Governance and Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee oversees certain risks and the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Ethical Business Conduct

In February 2004, Fennec's Board adopted a Mandate of the Board of Directors, Corporate Governance Guidelines and a Code of Business Conduct and Ethics (the "**Code of Conduct**") applicable to all officers, directors and employees of Fennec. The Code of Conduct was updated in June of 2019. You can access the Code of Conduct in the corporate governance section of Fennec's website at www.fennecpharma.com. Fennec undertakes to provide any person without charge, upon request, a copy of such code by writing to Attn: Code of Ethics Request, Fennec Pharmaceuticals Inc., 68 TW Alexander Drive, PO Box 13628, Research Triangle Park, North Carolina 27709. Fennec is committed to adhering to applicable legal requirements and maintaining the highest standards of conduct and integrity. The Code of Conduct is intended to promote those goals in conjunction with the Corporation's Insider Trading Policy, Disclosure Policy and Audit Committee Complaint Procedures. The Code of Conduct sets out the legal and ethical standards of conduct for personnel of Fennec and addresses topics such as: reporting obligations and procedures; honest and ethical conduct and conflicts of interest; compliance with applicable laws and Corporation policies and procedures; confidentiality of corporate information; use of corporate assets and opportunities; public disclosure and books and records; and non-retaliation. The Board is not aware of any conduct of a director or officer that constitutes a departure from the Code of Conduct and, as a result, since the beginning of Fennec's fiscal year ended December 31, 2020, there have been no material change reports filed that pertain to such a departure.

The Code of Conduct provides that the Governance and Nominating Committee shall monitor and periodically evaluate compliance with the Code of Conduct and its application to the Corporation's business. In addition, the Code of Conduct sets out the procedures adopted by the Audit Committee for the receipt, retention and treatment of complaints and concerns regarding accounting, internal accounting control, or auditing matters. In each case, the Code of Conduct provides that the Corporation will not discipline, discriminate against or retaliate against any employee who reports a complaint or concern in good faith, whether or not the information is ultimately proven to be correct, or who cooperates in any investigation or inquiry thereof.

In order to ensure independent judgment in considering transactions or agreements in which a director or officer has a material interest, the Code of Conduct contains a process that must be followed regarding the disclosure, consultation and approval of transactions involving potential conflicts of interest. As a first step, officers and directors must disclose such matters to the Chief Executive Officer and to the Chair or any other disinterested member of the Governance and Nominating Committee charged with reviewing conflicts of interest. The Board has adopted rules for what activities constitute conflicts of interest and potential conflicts of interest, as well as procedures for determining whether a relationship or transaction constitutes a conflict of interest, the current versions of which are attached as appendices to the Code of Conduct. Following disclosure, any officer or director must avoid or terminate any activity that involves an actual or reasonably apparent conflict of interest unless it is determined at the appropriate level that the activity is not a conflict of interest or is otherwise not harmful to the Corporation or improper. Disinterested members of the Governance and Nominating Committee shall make any such determination.

In accordance with the BCBCA and our articles, directors who have a material interest in any person who is a party to a material contract or a proposed material contract with us are required to disclose that interest and abstain from voting on any resolution to approve that contract. In addition, no director, director nominee or officer may enter into any transaction or relationship that is disclosable by such person or the Corporation pursuant to the BCBCA or by the Corporation pursuant to SEC rules without the prior approval of the disinterested members of the Governance and Nominating Committees, and no such person may directly or indirectly approve, or represent the Corporation or the other party in arranging, the terms of any transaction between the Corporation and a party with which he/she has any relationship of a type that is disclosable by such person or the Corporation pursuant to the BCBCA or by the Corporation pursuant to SEC rules. All transactions between the Corporation and a party with which a director, officer or employee has such a relationship shall be on an arm's length basis.

Orientation and Continuing Education

Responsibility for the oversight of orientation for new directors and continuing education programs for all directors with respect to the Corporation's business and financial matters, corporate governance and other appropriate subjects is assigned to the Governance and Nominating Committee under its charter. In this regard, the Governance and Nominating Committee's duties include ensuring the adequacy of the orientation and education program for new members of the Board.

The Governance and Nominating Committee is also responsible for arranging continuing education for directors in order to ensure that directors maintain the skill and knowledge necessary to meet their obligations as directors. Given the Corporation's limited resources, to date, no formal external continuing education programs have been sponsored by the Corporation but members of the Board are free to attend such programs as they determine necessary and in the Corporation's best interest. The Corporation also provides directors with the opportunity to meet with senior management of the Corporation, including the Chief Financial Officer, as well as external advisors, at any time and such personnel and advisers are regularly invited to present at Board meetings or in connection with Board retreats to provide updates in legal, accounting, governance and other business developments. Some meetings are held at the Corporation's premises, allowing directors the opportunity to gain additional insight into the Corporation's operations. In addition, analyst reports and other information relating to the Corporation's business and the industry in which it operates are presented at Board meetings and strategy sessions and industry-related articles of interest are distributed to Board members from time to time. Pursuant to each Committee charter, directors are permitted to obtain advice and assistance from internal or external advisors, including for the purposes of continuing education and developments relevant to board responsibilities.

Nomination of Directors

The Board has a nominating committee as part of the Governance and Nominating Committee that is charged with identifying individuals qualified to become Board members. The Governance and Nominating Committee also recommends to the Board (a) the director nominees for the next annual meeting of shareholders and candidates to fill vacancies on the Board and (b) the directors to be appointed to Board Committees.

As part of its mandate, the Governance and Nominating Committee (i) develops criteria for selecting directors and, when appropriate, conducts searches for prospective Board members whose skills and attributes meet those criteria, (ii) considers nominees submitted to the Board by shareholders if appropriate biographical and background information is provided, applying the same criteria and following substantially the same process in considering candidates suggested by shareholders as it does in considering other candidates and (iii) prior to recommending a nominee for election, determines that the election of the nominee as a director would effectively further the policies set forth in the Corporation's corporate governance guidelines.

In connection with its mandate to review and recommend to the Board the directors to be appointed to the various committees of the Board and the Chair of each committee, the Governance and Nominating Committee considers the desired qualifications for membership on each committee, the availability of each director to meet the time commitment required for membership on the particular committee, and the extent to which there should be a policy of periodic rotation of committee members.

The Governance and Nominating Committee also oversees the process of evaluations of the Board, its committees and executive management of the Corporation, and make recommendations to the Board as appropriate.

Term Limits

The Corporation has not adopted term limits for directors of the Corporation. The Board believes that the need to have experienced directors who are familiar with the business of the Corporation must be balanced with the need for renewal, fresh perspectives and a healthy skepticism when assessing management and its recommendations. In addition, as mentioned above the Board undertakes an assessment process that evaluates its effectiveness.

While term limits can help ensure the Board gains fresh perspective, imposing this restriction means the Board would lose the contributions of longer serving directors who have developed a deeper knowledge and understanding of the Corporation over time. The Board believes that term limits have the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Corporation and its operations and thereby provide an increasing contribution to the Board as a whole.

Board and Senior Management Diversity

The Corporation recognizes and embraces the benefits of having diversity on the Board and in its senior management. Diversity is important to ensure that members of the Board and the Corporation's senior management provide the necessary range of perspectives, experience and expertise required to achieve the Corporation's objectives and deliver for its stakeholders. Accordingly, the Corporation has adopted a Diversity Policy that addresses, among other things, identification and nomination of women directors.

The Corporation also recognizes that the Board and its senior management appointments must be based on performance, ability, merit and potential. Therefore, the Corporation ensures a merit based competitive process for appointments. The Corporation's commitment to diversity includes ensuring that diversity is fully considered in determining the composition of the Board and the appointment of its senior management. Pursuant to the Corporation's Diversity Policy, on an annual basis, the Governance and Nominating Committee will (i) assess the effectiveness of the senior management appointment process at achieving the Corporation's diversity objectives; and (ii) consider and, if determined advisable, recommend to the Board for adoption, measurable objectives for achieving diversity in senior management. At any given time the Board may seek to adjust one or more objectives concerning senior management diversity and measure progress accordingly. The Corporation currently has one female executive officer and one woman on the Board.

Short-Selling; Hedging

Pursuant to the Corporation's Insider Trading Policy, which is applicable to its directors, officers and other employees, no such person may engage in short-selling of the Corporation's securities or any trading in exchange-traded options with respect to the Corporation's securities. Any director or executive officer who wishes to enter into another type of hedging arrangement must consult with the Compliance Officer as legal restrictions and/or public disclosures may be required. In addition, margin loans using the Corporation's securities and other pledges of such securities present the risk that the pledgee will foreclose and sell the securities at a time when the Corporation's personnel are prohibited from trading, with possibly serious collateral consequences. For this reason, such an arrangement may be risky and should not be undertaken without the prior written approval of the Compliance Officer.

Compensation

The Board is responsible for establishing director and executive officer compensation and reviews such compensation at least as often as annually. The Board believes that directors should be fairly compensated for undertaking the responsibilities associated with serving as a director. At the same time, director compensation should be consistent with market practices generally. The Board delegates to the Compensation Committee responsibility for periodically assessing market practices for director and executive officer compensation. In addition, the Compensation Committee evaluates director compensation in the context of evaluating director recruitment and retention.

The Compensation Committee operates under a written charter adopted by the Board. The Compensation Committee is currently composed entirely of independent directors: Dr. Brughera (Chair), Mr. Rallis and Dr. Cook. The Compensation Committee held seven meetings in the fiscal year ending December 31, 2020.

In addition to director compensation, the Compensation Committee of the Board determines the compensation to be paid to Fennec's executive officers and periodically reviews Fennec's compensation structure to ensure that Fennec continues to attract and retain qualified and experienced individuals to Fennec's management team and motivate these individuals to perform to the best of their ability and in Fennec's best interests. Among other things, the Compensation Committee considers compensation levels of comparable positions in similarly sized organizations in the biotechnology industry. The Compensation Committee also administers the Company's Equity Incentive Plan and approves new stock option grants or other equity awards.

Other Board Committees

The Board has created audit, compensation, and the governance and nominating committees to ensure that the Board functions independently of management. It is also customary practice for directors (i) to regularly receive detailed information describing Fennec's performance, and (ii) when necessary, to speak directly with management regarding additional information required on particular matters of interest. Moreover, directors have access to information independent of management through Fennec's external auditors.

Audit Committee

On behalf of the Board, the Audit Committee of the Board retains, oversees and evaluates Fennec's independent auditors, reviews the financial reports and other financial information provided by Fennec, including audited financial statements, and discusses the adequacy of disclosure with management and the auditors. The Audit Committee also reviews the performance of the independent auditors in the annual audit and in assignments unrelated to the audit, assesses the independence of the auditors, and reviews their fees. The Audit Committee is also responsible for reviewing Fennec's internal controls over financial reporting and disclosure.

The Audit Committee operates under a written charter adopted by the Board. Multilateral Instrument 52-110 – Audit Committees requires certain disclosures be cross-referenced with respect to the Audit Committee when soliciting proxies from Shareholders for the purpose of electing directors. The Corporation is relying on the exemption found in Part 7 of the Multilateral Instrument applicable to U.S. Listed Issuers. The Audit Committee met five times during the fiscal year ended December 31, 2020. As required by the rules of the SEC and Canadian securities laws, the Audit Committee is composed entirely of independent directors, each of whom the Board has determined is "financially literate" for purposes of the applicable laws: Mr. Rallis (Chair), Mr. Haigh and Dr. Islam. In addition, the Board has determined that Mr. Rallis qualifies as an "audit committee financial expert," as defined in Item 407(d) (5) of Regulation S-K promulgated by the SEC. A copy of the Corporation's Audit Committee Charter is included as Schedule "A-2" to this Circular.

Audit Committee Report

The Audit Committee has (1) reviewed and discussed the audited financial statements with management, (2) discussed with Haskell & White LLP, our independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61, and (3) received the written disclosures and the letter from Haskell & White LLP required by the Independence Standards Board Standard No. 1, and has discussed their independence with the independent registered public accounting firm. Based upon these discussions and reviews, the Audit Committee recommended to the Board that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2020 that we filed with the SEC on March 30, 2021.

Haskell & White LLP served as our independent registered public accounting firm and audited our consolidated financial statements for the year ended December 31, 2020. Though the Audit Committee does not have formal pre-approval policies and procedures in place, it has pre-approved all of the services performed by Haskell & White LLP as discussed below, as required by SEC regulation.
